DUZY2 LOG -
Models: VDY30D2, VDY30D2A and 30VDYD2A
Installation Instructions

The information on this sheet supersedes the information listed in the VDY series Owner's Manual. Please keep this sheet with your Owner's Manual and Warranty Packet for future reference.

This log set for use only with the VDY30 engine/grate.

WARNING

The positioning of the logs is critical to the safe and clean operation of this heater. Problems may result if the logs are not properly and firmly positioned on the appliance.

Failure to position the parts in accordance with the following diagrams or to not use only parts specifically approved for this log set may result in property damage or personal injury.

Item	Description	Qty	VDY30D2
1	Rear Log	1	32D0410
2	RightLog	1	32D0411
3	Left Log	1	32D0412
4	Top Log	1	32D0413

Do not handle logs with bare hands. Always wear gloves. After handling these logs, always wash your hands gently with soap and cold water.

DUZY II VDY30D2, VDY30D2A AND 30VDYD2A LOG INSTALLATION SEQUENCE:

1. Install the rear log (#1) on the two locating pins of base. *See Figure 1*. Visually check to verify the log is securely placed on the pins and in contact with the grate. *See Figure 2*.
2. Install the right log (#2) on top of the control cover. Slide the log back until touching the rear log (#1). Visually check to verify the log is resting on the grate and control cover. *See Figure 3*.
3. Install the left log (#3) with its bottom groove resting on the right side of the grate bar. Slide the log back until touching the rear log (#1). Visually check to verify the log is resting on the grate. *See Figure 4*.
4. Install the top log (#4) with the base sitting on the rear log (#1) and the top sitting on log (#4). Visually check to verify the log is resting on the rear log (#1) and left log (#3). *See Figure 5*.
